adventure featuring characters who you can freely combine as you wish. What is this game about? ★The story of Motherlode: “In the fun, yet chaotic world of Pandora, there are various insects.They are called Hiveswap.They are all collectively called “The Hiveswap”, or the “Hiveswap’s.” The Hiveswap population has swelled to 30,000,000. The largest and most populous of them live on the Earth.There are over 10,000 other planets where they live.And, all across the universe, there are more planets with Hiveswap on them. All Hiveswap, living in this world, are enjoying their life.There are events that the Hiveswap wish
